## 1 Research interests

Economic growth and business cycle fluctuations.

Macroeconomic dynamics, income distribution and monetary policy.

Economic development in Latin America.

History of economic thought.

## 2 Work Experience

2016-present: Assistant Professor. Department of Economics, University of Utah.

2015-2016: Visiting Assistant Professor. Department of Economics, SOAS (University of London).

2012-2015: Graduate Teaching Assistant. School of Economics, University of Kent.

2008-2011: Teaching Assistant. Faculty of Economics, National Autonomous University of Mexico (UNAM).

2008-2009: Research Assistant at the project "World money market and oil income (1997-2008)", Institute of Economic Researches (IIEc), National Autonomous University of Mexico (UNAM).

## 3 Education

2012-2016: Ph.D. in Economics. School of Economics, University of Kent.

2011-2012: M.Sc. in Economics and Econometrics. School of Economics, University of Kent. *With Distinction*. Special Award: Student awarded the highest grade for the M.Sc. dissertation.

2006-2011: B.Sc. in Economics. Faculty of Economics, National Autonomous University of Mexico (UNAM). *Summa cum laude*. Special Award: Best B.Sc. student in Economics of the generation.

## 4 Honours and Prizes

2012-2015: University of Kent Ph.D. Scholarship.

2012: M.Sc. Dissertation Prize: student awarded the highest grade for the M.Sc. dissertation, School of Economics, University of Kent.

2011-2012: University of Kent International Scholarship for Postgraduate Students.

2011: Gabino Barreda Medal: *Summa cum laude*. Best B.Sc. student in Economics of the generation, Faculty of Economics, National Autonomous University of Mexico (UNAM), campus University City.

2008-2011: B.Sc. Scholarship: Faculty of Economics, National Autonomous University of Mexico (UNAM), campus University City.

2007-2011: Annual Diploma Awards. Top three highest grades in the Faculty of Economics, National Autonomous University of Mexico (UNAM), campus University City.

## 5 Teaching Experience

### 5.1 Postgraduate

2016: *Theory of Financial Institutions and Policy*. Department of Economics, SOAS (University of London).

2016: *Statistical Research Techniques*. Department of Economics, SOAS (University of London).

2015: *Capital Markets, Derivatives and Corporate Finance*. Department of Economics, SOAS (University of London).

2015: *Preliminary Economic Analysis*. Department of Economics, SOAS (University of London).

2012-2015: *Econometric Methods*. School of Economics, University of Kent.

### 5.2 Undergraduate

2016-present: *Intermediate Macroeconomics*. Department of Economics, University of Utah.

2016: *Quantitative Methods for Economists*. Department of Economics, SOAS (University of London).

2015: *Microeconomic Analysis*. Department of Economics, SOAS (University of London).

2012-2015: *Econometrics I*. School of Economics, University of Kent.

2012-2015: *Macroeconomics*. School of Economics, University of Kent.

2010-2011: *Microeconomic Theory*. Faculty of Economics, National Autonomous University of Mexico (UNAM).

2008-2011: *Political Economy*. Faculty of Economics, National Autonomous University of Mexico (UNAM).

## 6 Publications and Research

### 6.1 Articles in refereed journals (by topic)

#### **Economic growth and business cycle fluctuations**

Forthcoming. "On the interaction between economic growth and business cycles". *Macroeconomic Dynamics*.

### Economic development in Latin America

2013. "Inflation targeting and pass-through effect in Latin America". [In Spanish: "El modelo de objetivos de inflación y el efecto pass-through en América Latina"]. *Revista de Economía Crítica*, 15(1): 5-30.

2012. "Towards a Post-Keynesian perspective of Mexican manufacturing pricing: An approximation", joint with Rogelio Huerta-Quintanilla. *Bulletin of Political Economy*, 6(1): 19-38.

### History of economic thought

2012. "What is the relationship between the rates of interest and profit? An empirical note for the U.S. economy, 1869-2009", joint with Alejandro Valle-Baeza. *Investigación Económica*, 71(280): 163-183.

2012. "Profit and trade deficit in the U.S. economy. A Marxist perspective", joint with Alejandro Valle-Baeza. *Marxism* 21, 9(3): 353-372.

2012. "Partial and general equilibrium: Two alarming problems", joint with Tania Contreras-Herrada and Rogelio Huerta-Quintanilla. [In Spanish: "Equilibrio parcial y general: Dos problemas inquietantes"]. *Ensayos de Economía*, 22(41): 89-107.

2011. "The tendency of the rate of profit to fall and the level of the organic composition of capital". [In Spanish: "La tendencia al descenso de la tasa de ganancia y el nivel de la composición orgánica de capital"]. *Problemas del Desarrollo*, 42(167): 175-186.

2010. "Notes on the Marxist interest rate", joint with Alejandro Valle-Baeza. [In Spanish: "Apuntes sobre la teoría marxista de la tasa de interes"]. *Problemas del Desarrollo*, 41(162): 161-176.

### 6.2 Book reviews in refereed journals

2012. "A critical reading of Varian. Notes on Intermediate Microeconomics". [In Spanish: "Una lectura crítica de Varian. Notas sobre Microeconomía Intermedia"]. By Rogelio Huerta-Quintanilla. Mexico: Faculty of Economics, National Autonomous University of Mexico (UNAM), 2011. *Revista de Economía Crítica*, 15(1): 282-287.

2012. "Mexico, another failed capitalism". [In Spanish: "México, otro capitalismo fallido"]. By Alejandro Valle-Baeza and Gloria Martínez-Gonzalez. Buenos Aires: Razón y Revolución, 2011. *Revista de Economía Crítica*, 14(2): 370-372.

### 6.3 Working papers

2016. "Wage led aggregate demand in the United Kingdom", joint with Robert Jump.

2015. "Is potential output growth falling?".

2014. "Is there any relationship between the rates of interest and profit in the U.S. economy?".

### 6.4 Articles in non-refereed journals

2016. "The profits of financialisation", joint with Costas Lapavistas. *Monthly Review*, 68(3): July-August.

## 7 Conferences and Seminar Presentations

2016: International Symposium in Computational Economics and Finance (ISCEF; Paris).

2015: International Association for Applied Econometrics Annual Conference (IAAE; Thessaloniki); Research Network Macroeconomics and Macroeconomic Policies Annual Conference (FMM; Berlin); Seminar at the School of Economics, University of Kent.

2014: Seminar at the School of Economics, University of Kent.

2013: European Society for the History of Economic Thought Annual Conference (ESHET; London); First World Keynes Conference (Izmir).

2012: "A Continent in Flux? Understanding Transitions, Tensions and Opportunities in the Americas" (Canterbury); Seventh Forum of the World Association for Political Economy (WAPE; Mexico City).

2010: "On Mathematics in Social Sciences" (UNAM; Mexico City); Seminar at the Faculty of Economics, National Autonomous University of Mexico (UNAM; Mexico City).

## 8 Professional Service

### 8.1 Referee work

*Economic Modelling* [2]; *Cambridge Journal of Economics*.

### 8.2 Professional memberships

Econometric Society; American Economic Association; Royal Economic Society; International Association for Applied Econometrics; Society for Computational Economics; Latin American and Caribbean Economic Association; Society for Nonlinear Dynamics and Econometrics; Society for Economic Measurement; Union for Radical Political Economics.

## 9 Skills

Econometric and other software: Eviews, Stata, R, Ox, Matlab, LaTeX.

Languages: Spanish (native), English (fluent), French (basic), Portuguese (basic).
