January, 2015

S U M M A R Y

Employment: July 1978 to June 1980, Instructor, July 1980 to June 1987, Assistant Professor, July, 1987 to June 1994, Associate Professor, July 1994 to date, Professor of Economics, Visiting Adjunct Instructor, Pitzer College, 2007-08, Visiting Professor, UCLA School of Urban Planning, 2007-08, University of Utah, Chair, Economic Department, University of Utah, Chair, Economics Department, July 1, 2008 to June 30, 2011.

Research: Philips' research focuses primarily on the U.S. construction labor market including issues of safety, regulation, competition, bidding practices, wage determination, the construction of renewable energy generation facilities and related issues. Others aspects of his research include business and labor history, health economics and non-construction labor market issues. His research includes 39 peer-reviewed journal articles; 3 non-peer-reviewed journal articles; 4 non-peer-reviewed web publications, 4 edited books and 1 co-authored book; 12 book chapters; 5 book reviews; finalist College Superior Research Award (2003); University of Utah, Graduate Student & Postdoctoral Scholar Distinguished Mentor, 2007; \$764,000 sponsored projects across 12 grants

Teaching: University of Utah, College of Social and Behavioral Sciences, Superior Teacher Award (1982); Lowell Bennion University Distinguished Service Professor (1992-1993); University of Utah, Presidential Teaching Scholar (1993); Nominee, Student Choice Teaching Award, Academic Affairs Board of the Associated Students of the University of Utah, 2004; University of Utah, Graduate Student & Postdoctoral Scholar Distinguished Mentor, 2007 (also listed under research); 15 Ph.D. theses chaired; 11 masters theses or projects chaired

Peter Philips

SPECIALIZATION

Labor Economics, Collective Bargaining, Labor History, Economics of Construction, Economics of Occupational Safety

DISSERTATION

"The Evolution of Industrial Organization, Technology and Wage Structures in the California Canning Industry"

EDUCATION

Pomona College, Claremont, California, B.A. 1970; Stanford University, Stanford, California, M.A., 1977, Ph.D., 1980.

HONORS

California State Scholar (1966-1970)

Leland Backstrand Graduating Senior Award in Economics, Pomona College (1970)

Stanford University/Ford Foundation Fellowship (1970-71 and 1974-1977)

University of Utah, College of Social and Behavioral Sciences, Superior Teacher Award (1982)

University of Utah, College of Social and Behavioral Sciences, Dean's Research Fellow (1985 and 1988)

University of Utah, John R. Park Teacher's Fellowship (1988)

University of Utah, Lowell Bennion University Distinguished Service Professor (1992-93)

University of Utah, Presidential Teaching Scholar (1993)

Finalist, Senior Superior Research Award, College of Social and Behavioral Sciences, University of Utah, 2003

Nominee, Student Choice Teaching Award, Academic Affairs Board of the Associated Students of the University of Utah, 2004

Peter Philips

University of Utah, Graduate Student & Postdoctoral Scholar Distinguished Mentor, 2007

WORK * HISTORY

July 1978 to June 1980, Instructor,
July 1980 to June 1987, Assistant Professor
July, 1987 to June 1994, Associate Professor
July 1994, Professor, University of Utah
Sabbatical 2007-08 Pitzer College and UCLA
Chair, 2008 to June, 2011
Economics Department,
University of Utah
Salt Lake City, Utah

USUAL * COURSES

(Quarter System)

Economics 274: American Economic History
Economics 302: Intermediate Microeconomics
Economics 310: Labor Economics
Economics 512: Public Policy Towards Labor
Economics 513: Collective Bargaining
Economics 514: Wage Theory
Economics 516: Labor Market Analysis
Economics 517: Political Economy of Women's Work
Economics 715: Labor Economic Theory

(Semester System)

Economics 1740: American Economic History
Economics 3100: Labor Economics
Economics 5120: Labor Law and Collective Bargaining
Economics 7150: Labor Economic Theory
Economics 7590: Applied Econometrics
Economics 7960: Topics in Econometrics

DISSERTATIONS * CHAIRED

Ph.D. Theses Chaired

1. Mark Prus, "Unions' Impact on Gender-Based Wage Differentials," awarded

PHILIPS@ECON.SBS.UTAH.EDU

Peter Philips

1985. Currently Professor of Economics and Dean of the College of Arts and Sciences, SUNY Cortland.
2. Mike Nuwer, "Labor Market Structures in Historical Perspective: A Case Study of Technology and Labor Relations in the United States Iron and Steel Industry, 1860-1940," awarded 1985. Currently Professor of Economics, SUNY Potsdam.
 3. Ric Holt, "The United Farm Workers' Impact on the Structure of California's Agricultural Labor Market" awarded 1986. Currently, Professor of Economics, Southern Oregon State University, Ashland.
 4. Andrew Kliman, "The Effects of Labor Market Segmentation and the Minimum Wage on the Employment Population Ratio of Teenage Blacks 1950 to 1980" awarded 1988. Currently, Professor of Economics, Pace University, Pleasantville, NY.
 5. Paulette Olson, "Differential Treatment of Men and Women within the Unemployment Insurance System of Washington State" completed December, 1988. Currently Professor of Economics, Wright State University.
 6. Lisi Krall, "The Nursing Shortage in the United States" completed August 1989. Currently Professor of Economics and Chair of the Economics Department, SUNY Cortland
 7. Jeff Petersen, "The Economics, Politics and History of a Union Pension Fund: A Case Study of the Central Pension Fund of the I.U.O.E. and Participating Employers" completed December 1994. Currently a forensic economist; formerly a GAO senior economist.
 8. Anne Yeagle, "The Economic Effects of State Repeals of Prevailing Wage Laws" completed June 1996. Currently, Assistant Professor of Economics, University of Utah.
 9. Cory Sinclair, "The Effect of Race on Game Attendance in the National Basketball Association, 1959 to 2000" June, 2003. JD received 2006. Currently a principal in the North Harvard Group of legal and economic consultants.
 10. Goh Yong Lee, "The Effect of Higher Workers, Compensation Premium Rates on Construction Workers Wages and the Reporting of Injuries" June 2004, currently manager of the Labor and Welfare Department of the Federation of Korean Industries.

Peter Philips

11. Sheng Li, "The Business Cycle's Effect on Bidding Structure in the Construction Industry in Utah, 1966 to 2003," 2006. Currently Assistant Professor of Economics and Finance, Central University of Economics and Finance, Beijing, China.
12. Mark Price, "The Racial Impacts of Prevailing Wage Regulations," 2006. (Honorable Mention, Labor and Employment Relations Association, 2006). Research economist, Keystone Research Center and currently on the job market.
13. JaeWhan Kim, "An Event-History Model of Labor Mobility in the Construction Industry Focusing on the Role of Health Insurance in the Union and Nonunion Sectors," 2007. Assistant Professor, Department of Family and preventative Medicine, University of Utah.
14. Holumyong Charumporn, "Immigrant Utilization of Unemployment Benefits," 2007, faculty, Institute for Population and Social Research, Mahidol University, Thailand..
15. Wendy Thompson, "Articulated Subcontracting and the Risk of Injuries in the US Construction Industry, 1977 to 1997," Assistant Professor of Economics, Monmouth College.

M.A. Theses Chaired

1. Ivy Luh Peh, "Levels of Development, Competition and the Distribution of Women Across the Industrial Sectors," awarded 1982.
2. Chyong-Jue Chen, "Export Wages and Labor Productivity in Taiwan: A Data Analysis," awarded 1982.
3. Farshid Aboamery, "The Economic Crisis Before the Revolution in Iran," awarded 1983.
4. Thomas Porter, "Women and Blacks in Non-Traditional Work," awarded 1984.
5. Azita Jalai, "Human Capital and Institutional Theories and the Racial Mobility Gap" awarded 1987.
6. Cindy White, "The Effects of Technological change on the Employment of Women in the Cotton Textile Industry" awarded 1989.
7. Mathew Hotchkiss, "Employment and Wage Patterns in Utah Construction, 1950

Peter Philips

to 1992" awarded 1993.

Peter Philips

8. Phillip Jeffreys, "Occupational and Regional Differences in Construction Wage Rates, 1875 to 2000," awarded 2002.
9. Ed Dover, "Gender Discrimination in Faculty Wages at the University of Utah and Utah State Univerity," December 2004.
10. Joshua Folger, "The Impact of Subcontractor Bidding Practices on General Contractor Bids in the Construction Industry in Utah," January 2006.
11. Jesse Thompson, "The Effect of Construction Defect Litigation on Insurance Claims in the Western United States," May, 2007.
12. Chuwadee Chaichao, "The Effect of Immigration on the Union Skilled-Unskilled Wage Gap, 1920 to 2000,," May, 2007

PUBLICATIONS

1. Published and Accepted Articles (peer reviewed):
